Gift Aid declaration

Lion Aid Limited | Registered charity in England and Wales, no. 1137606

Gift Aid allows LionAid to claim an extra 25p for every £1 you donate, at no extra cost to you.

My declaration

I want Lion Aid Limited to treat my current donation, all donations I have made in the past four years and all future donations I make to the charity as Gift Aid donations.

I am a UK taxpayer. If the total Gift Aid claimed by all charities and community amateur sports clubs on my donations in a tax year exceeds the UK Income Tax and Capital Gains Tax I pay for that year, I understand that I must pay the difference.

☐ **I confirm the Gift Aid declaration above**
